

YAMPA VALLEY ELECTRIC ASSOCIATION, INC.
Steamboat Springs, Colorado

BYLAWS

ARTICLE I

Members

Section 1. Qualifications and Obligations.

Upon approval by the Board of Directors, any person or entity may become a member in Yampa Valley Electric Association, Inc. ("Cooperative") by:

- (a) paying the membership fee hereinafter specified and making written application for membership therein;
- (b) agreeing to purchase from the Cooperative electric energy as hereinafter specified; and
- (c) agreeing to comply with and be bound by the Articles of Incorporation of the Cooperative and these Bylaws and amendments thereto and such rules and regulations as may from time to time be adopted by the Board of Directors

However, no applicant shall become a member until electric service is supplied to the applicant by the Cooperative. No person or entity may own more than one membership in the Cooperative.

A married couple or two partners in a civil union under the Colorado Civil Union Act may jointly become a member, and their application for a joint membership may be accepted in accordance with the foregoing provisions of this Section if the married couple or both partners in such civil union comply jointly with the provisions of this Section 1.

Any natural person who becomes a member or joint member is hereinafter called an "Individual Member." Any firm, corporation, body politic, or other legal entity that becomes a member is hereinafter called an "Entity Member." An Individual Member's non-residential electric account may be in a business name, but the written application for membership shall identify, and the membership shall be vested in, the Individual Member. Except for a joint membership, no membership shall exist for multiple individuals or entities, but each account (other than a joint membership account) shall be in the name of only one member.

Section 2. Membership Fee.

A membership fee may be determined from time to time by the Board of Directors, but if such a fee is imposed, it shall be no more than five dollars (\$5.00) per member, regardless of the number of accounts in the name of the member.

Section 3. Purchase of Energy, Goods and Services.

- (a) Each member shall, as soon as electric energy is available, purchase from the Cooperative all electric energy for the premises specified in the member's application and shall pay therefor monthly at rates which shall from time to time be fixed by the Board of Directors or at rates and tariffs on file with such agency or agencies of the State of Colorado or the State of Wyoming as may be provided by law. Production or use of electric energy on such premises, regardless of the source thereof, by means of facilities which would be interconnected with the Cooperative facilities shall be subject to appropriate regulations fixed from time to time by the Cooperative.

Each member shall pay to the Cooperative such minimum amount per month, regardless of the amount of electric energy consumed, as shall be fixed by the Board of Directors from time to time. Each member shall also pay all amounts owed to the Cooperative as and when the same shall become due and payable.

- (b) Members may also purchase from the Cooperative other forms of energy, goods, or services as the Cooperative may from time to time make available for purchase by its members

Section 4. Non-liability for Debts of the Cooperative.

The private property of the members of the Cooperative shall be exempt from execution for the debts of the Cooperative. No member shall be individually liable or responsible for any debts or liabilities of the Cooperative.

Section 5. Termination of Membership.

- (a) The membership of a member will terminate (i) when such member has not purchased electric energy from the Cooperative for a period of three consecutive months after electric energy is available; (ii) when such member ceases to purchase electric energy from the Cooperative for a period of three consecutive months; or (iii) upon the withdrawal, death, cessation of existence or expulsion of such member. Upon termination of membership, the membership certificate of such member shall be surrendered forthwith to the Cooperative and the membership fee refunded or offset against debts due the Cooperative.
- (b) Any member may withdraw from membership upon payment in full of all debts and liabilities of such member to the Cooperative and upon compliance with such uniform terms and conditions as the Board of Directors may prescribe.

The Board of Directors may, by the affirmative vote of not less than two-thirds (2/3) of the members thereof, expel any member and cancel such member's certificate of membership if such member violated or refused to comply with any of the provisions of the Articles of Incorporation, these Bylaws, or any rules or regulations adopted from time to time by the Board of Directors. Any member so expelled may be reinstated as a member by a vote of the members at an annual or

special meeting. The action of the members with respect to any such reinstatement shall be final.

- (c) Termination of membership in any manner shall not release a member or his estate from any debts due the Cooperative. The rights of a member in patronage capital, as provided in Article VIII hereof, shall not be impaired by termination of membership; Except as otherwise provided in Section 8 of this Article I, all other rights in the Cooperative's assets and property shall terminate.

Section 6. Unclaimed Property.

The Cooperative holds certain deposits, membership fees, and accounts payable (excluding retired patronage Capital Credits governed by Article VIII, Section 7) (collectively, "Unclaimed Funds") for the accounts of past patrons and others, which funds have been tendered thereto in the form of negotiable instruments by first class mail at their last known address but were returned undelivered or otherwise remain unclaimed. Bookkeeping and accounting maintenance of Unclaimed Funds is burdensome and costly to the Cooperative. The failure to claim Unclaimed Funds constitutes evidence of intent to abandon such Unclaimed Funds.

Any Unclaimed Funds that remain unclaimed for six or more months after having been mailed by first class mail at the last known address, are hereby conclusively deemed abandoned and assigned to the Cooperative if:

- (a) The Cooperative has first given notice to such past patron of the Unclaimed Funds by publication in a newspaper of general circulation within the service area of the Cooperative; and
- (b) Such past patron does not claim such funds within thirty days after the date of publication.
 - a. Such Unclaimed Funds which are so deemed abandoned and assigned to the Cooperative shall be cancelled and credited to the Cooperative on its books. The Board of Directors may direct, in its discretion, the use of such funds.
 - b. After July 1, 1992, all new and existing patrons covenant and agree, as a condition of new or continued service by the Cooperative, that all Unclaimed Funds becoming payable after July 1, 1992, and which remain unclaimed after six months after the date of mailing of a payment thereof, by first class mail addressed to such patron's last known address, and after thirty days following publication of notice by the Cooperative as above described, shall be deemed abandoned, and the right, title, and interest in such Unclaimed Funds shall be deemed irrevocably assigned to the Cooperative at the end of such six-month period.

Section 7. Transfer and Termination of Membership.

- (a) Membership in the Cooperative shall be transferable only under the limited conditions provided in this Article I, Section 7.
- (b) A membership may be transferred by a member to a joint membership upon written request of such member and the compliance by the members with the provisions of Section 1(b) and Section 1(c) of this Article I. Such transfer shall be made and recorded on the books of the Cooperative, and the membership certificate may be surrendered by the transferor and the certificate may be reissued to and in the name of such joint members.
- (c) Upon the death of a member in a joint membership, such membership shall be deemed to be held solely by the survivor with the same effect as though such membership had been originally issued solely to the surviving member. The joint membership certificate may be surrendered by the survivor, and upon the recording of such death on the books of the Cooperative, the certificate may be reissued to and in the name of such survivor; however, the estate of the deceased shall not be released from any membership debts or liabilities to the Cooperative. Upon the dissolution of marriage or judicial dissolution of a civil union or declaration of invalidity of a civil union, the joint membership shall terminate. Either or both of the parties may apply for a new membership in accordance with these Bylaws. Such termination shall not release either joint member from the joint membership's debts or liabilities to the Cooperative.
- (d) All members of the Cooperative at the time of adoption of these Bylaws, as amended, shall remain members in accordance with the terms hereof.

Section 8. Property Interest of Members.

Upon dissolution, after

- (a) all debts and liabilities of the Cooperative are paid and
- (b) all capital furnished through patronage shall have been retired as provided in these Bylaws,

the remaining property and assets of the Cooperative shall be distributed among the members and former members in the proportion which the aggregate patronage of each bears to the total patronage of all members during the ten years next preceding the date of filing of the Certificate of Dissolution.

ARTICLE II **Meetings of Members**

Section 1. Annual Meeting.

The Annual Meeting of the Members shall be held annually, at such time and place, during each calendar year, in the service area of the Cooperative within Colorado as shall be designated from

time to time by the Board of Directors and stated in the Notice of the Meeting, for the purpose of electing Directors, passing upon reports covering the previous fiscal year and transaction such other business as may come before the meeting. Failure to hold the Annual Meeting at the designated time or place shall not work to a forfeiture or dissolution of the Association.

Section 2. Special Meetings.

Special meetings of the members may be called by resolution of the Board of Directors, or upon a written request signed by at least ten per centum (10 percent) of all members and it shall thereupon be the duty of the Secretary to cause such Notice of Meeting to be given as hereinafter provided. Special meetings of the members may be held at any place within the service area of the Cooperative, in the State of Colorado, as shall be specified in the Notice of the Special Meeting.

Section 3. Notice of Members' Meeting.

Public notice of the time and place of the holding of each meeting shall be published not less than ten (10) days, nor more than thirty (30) days previous thereto in a newspaper printed in the county where the principal office of the Association is located, and if there be no such newspaper, then in a newspaper printed in an adjoining county. Written or printed notice stating the place, day and hour of the meeting, and in case of a Special Meeting, the purpose or purposes for which the meeting is called, shall also be delivered not less than ten (10) days nor more than fifty (50) days before the date of the meeting, either personally or by mail, by or at the direction of the President, the Secretary, or the persons calling the meeting, to each member of record entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the member at his address as it appears on the records of the Association, with postage thereon prepaid. The failure of any member to receive notice of an Annual Meeting or Special Meeting of the members shall not invalidate any action which may be taken by the members at any such meeting.

Section 4. Quorum.

A quorum for the election of Directors, amending of the Articles of Incorporation, and conducting normal business at all meetings of the members shall be five percent (5 %) of the members or fifty (50) members present in person, whichever is less. If less than a quorum is present at any meeting of members, a majority of members present in person may adjourn the meeting to a date, time, and place certain. Such adjournment at such meeting constitutes sufficient notice to all of the members of the date, time, and place of the rescheduled meeting of members, and no further notice of such rescheduled meeting shall be made to the membership. The election of Directors shall also be adjourned to such rescheduled meeting, and the ballots of members cast by mail shall remain sealed and be held by the Association for counting by a Teller Committee at the rescheduled meeting.

Section 5. Voting.

Each Entity Member shall designate one person who is an officer, director, partner, manager, trustee, or other similar management individual, to vote on behalf of such Entity Member. The

married couple of a joint membership, or both partners in a civil union under the Colorado Civil Union Act holding a joint membership, shall jointly designate one of them to vote on behalf of both such joint members. Each Individual Member and each Entity Member shall be entitled to only one (1) vote upon each matter submitted to a vote at a meeting of the members. The married couple of a joint membership, and both partners in a civil union holding a joint membership, are collectively entitled to only one (1) vote upon each matter submitted to a vote at a meeting of the members. If an Entity Member or Individual Member has more than one electric account with the Association, such Member shall nevertheless be entitled to cast only one (1) vote upon each matter submitted to a vote at a meeting of the members. If either spouse in a joint membership, or either partner in a civil union holding a joint membership, has any other electric account in his or her name or in a business name in the Association, such spouse or partner in a civil union shall nevertheless not be entitled to cast a separate vote by reason of such other account but shall be limited to the one (1) vote allocated to the joint membership, regardless of which spouse or which partner in a civil union is designated to vote on behalf of both joint members. At all meetings of the members at which a quorum is present, all questions and motions shall be decided by a vote of the members present, and the vote of a majority of the votes cast by members present on any question or motion shall constitute the decision of the membership of the Association for all purposes, except in the election of Directors, final adoption of a Member Sponsored Bylaw Amendment Motion, final adoption of a Governing Motion, or any other matter where voting by mail ballot is authorized by the Board of Directors or required under these Bylaws. . For the election of each Director of the Association, the ultimate passage and adoption of a Member Sponsored Bylaw Amendment Motion, the ultimate adoption and passage of a Governing Motion , or any other matter where mail voting is authorized by the Board of Directors or required under these Bylaws, the election shall be decided by a majority of the collective votes cast by mail as permitted under Section 8 of this Article II and the votes cast by the members present at the regular or special meeting of the members at which the matter is under consideration.

Section 6. Proxies.

Proxy and cumulative voting shall be prohibited.

Section 7. Order of Business

The order of business at the Annual Meeting of the members, and so far as possible at all other meetings of the members, shall be essentially as follows:

1. Report on the number of members present in person to determine the existence of a quorum.
2. Appointment of a Teller Committee by the Chairman of the Board of Directors, and directing such Committee to count mail ballots from members.
3. Reading of the notice of the meeting and proof of the due publication or mailing thereof, or the waiver or waivers of notice of the meeting, as the case may be.

4. Reading of the unapproved minutes of the previous meetings of the members and the taking of the necessary action thereon.
5. Presentation and consideration of, and acting upon, reports of officers, directors and committees.
6. Election of directors.
7. Unfinished business.
8. New Business.
9. Adjournment.

Section 7A. Mail Voting Required for Amendments to Bylaws and Member Governing Motions

- (a) No amendment to the Bylaws initiated by a motion and a second by members and not by the board of directors at any annual or special meeting of members under either “unfinished business” or “new business” shall be voted upon by the members present at such annual or special meeting of members where the amendment was initiated, but rather such amendment must be in writing and shall instead conclusively be deemed to be a proposal to be later submitted to the vote of the members by mail ballot pursuant to Section 9 of Article II below, in advance of the annual meeting of members in the next succeeding calendar year. Any such written motion is referred to in these Bylaws as a “Member Sponsored Bylaw Amendment Motion.” The notice of such next succeeding calendar year’s annual meeting of members must contain a copy of the proposed written Member Sponsored Bylaw Amendment Motion including the wording of the proposed Bylaw amendment in accordance with Section 1(a) of Article XIV of these Bylaws. Such notice in such next succeeding year as transmitted by the Association may also contain a short and concise position statement by the board of directors regarding such proposed Member Sponsored Bylaw Amendment Motion; and
- (b) Any motion initiated by a motion and a second by members and not by the board of directors at any annual or special meeting of members under either “unfinished business” or “new business” which is not a motion to amend the Bylaws but which would materially change any of the policies, procedures, practices, or rules and regulations of the Association must be in writing and will be and become effective only if such motion (i) would not be contrary to or inconsistent with the Articles of Incorporation or Bylaws of the Association or the statutes governing the Association, (ii) does not constitute or direct or require the creation of indebtedness of the Association in order to accomplish the purposes of such motion, and (iii) is finally approved by the affirmative vote of the voting members of the Association in two votes, the first being the affirmative vote of a majority of the members present at such annual or special meeting of members at which such motion is initiated, and the second being the affirmative vote of a majority of the

members of the Association voting by mail ballot pursuant to Section 8 of Article II below in advance of the annual meeting of members in the next succeeding calendar year. Any such written motion is referred to in these Bylaws as a “Governing Motion.” The notice of such next succeeding calendar year’s annual meeting of members must contain a copy of the proposed Governing Motion. Such notice in such next succeeding year may contain a short and concise position statement by the board of directors regarding such proposed Governing Motion.

Section 8. Mail Voting.

Each member of the Association shall be entitled to vote in the election of Directors except with respect to the filling of vacancies under Section 4 of Article III, and shall also be entitled to vote in the removal of Directors under Section 7 of Article I. The Board of Directors may authorize voting by mail ballot on any matter where such mail balloting is not already required by these Bylaws. In any case, a member may vote at the annual meeting of members, or at a meeting of the members of the Association called for such purpose, or by mail as provided in this Section 8. Mail voting shall be permitted for members in any election of Directors. Where required by these Bylaws or otherwise authorized by the Board of Directors, mail voting shall be in writing on ballots provided by the Association, and the Association shall accompany such ballot with a sealable inner envelope or secrecy sleeve provided by the Association for the purpose of concealing the marking on the ballot (the “Ballot Envelope”), into which the ballot may be inserted, and shall also accompany such ballot with a separate return mailing envelope (the “Mailing Envelope”). The Mailing Envelope shall include a designated location for the signature of the voting member. The mail ballot shall be voted by the member, placed in the Ballot Envelope, and such signed and sealed Ballot Envelope containing the completed mail ballot shall be inserted in the Mailing Envelope. The voting member shall sign such Mailing Envelope, and the signed Mailing Envelope containing the mail ballot shall be mailed to the Association or to an independent third party with whom the Association has contracted for the storage and counting of ballots in accordance with Section 9 of Article II below. If a Mailing Envelope is not signed by the voting member, the marked mail ballot within the unsigned Mailing Envelope shall be void and not counted. A mail ballot received in a signed and returned Mailing Envelope but without a Ballot Envelope is nonetheless valid and shall be counted.

Section 9. Counting of Mail Ballots.

The board of directors shall, when practicable, arrange for an independent third party to oversee the storage and counting of mail ballots. If this is not practicable, then ballots shall be collected and stored by the Association in a manner that protects the privacy of their content. All candidates for the board of directors shall be given the opportunity to be present to observe the counting of the mail ballots and their tabulation, except that if the Association has contracted with an independent third party to collect and count mail ballots, the mail ballots must be delivered to the Association under seal promptly after the count and, upon the request of any candidate, made available to the candidate for inspection. The Board of Directors may, from time to time, establish procedures not inconsistent with Sections 8 and 9 of this Article II for the distribution, preservation of confidentiality, return, and counting of ballots cast by mail.

ARTICLE III
Directors

Section 1. General Powers.

The business and affairs of the Association shall be managed by a board of nine (9) directors which shall exercise all of the powers of the Association except such as are by law or by Certificate of Incorporation of the Association or by these Bylaws conferred upon or reserved to the members.

Section 2. Qualification and Tenure.

The directors of the Association are hereby divided into three classes: the term of office of these of the first class to expire at the Annual Meeting of the Members held in 1977, the term of office of those of the second class, one year thereafter, and those of the third class two years thereafter, at the respective annual meeting of members, provided that such directors shall hold office until their successors are elected and shall have qualified; and at each annual election held after such classification, directors of each class whose terms expire shall be elected for a three year period, and until their successors are elected and qualify; provided, however, that in the event that one or more annual elections shall not be held, the incumbent directors whose terms of office then expired shall continue in office until the annual meeting of members held the third year thereafter or until their successors shall have been elected and shall have qualified. There shall be three directors of the first class, three directors of the second class and three directors of the third class. Directors for Director Districts Nos. 4, 5, and 7 shall comprise the first class; directors for Director Districts Nos. 2, 3, and 6 shall comprise the second class; and directors for Director Districts Nos. 1, 8, and 9 shall comprise the third class. To become and remain a director, a Person must comply with the following general qualifications:

1. be a member of the Cooperative in his or her individual capacity and not as an authorized representative of a member;
2. have his or her main home (as the term "main home" is defined by the Internal Revenue Service) at a residence within the director district from which the director is nominated or appointed and elected;

8. not be a Close Relative of a director whose term would overlap with the person seeking a director seat. As used herein, the term “Close Relative” means an individual who: a) through blood, law, or marriage, is a spouse, child, stepchild, father, stepfather, mother, stepmother, brother, stepbrother, half-brother, sister, stepsister, half-sister, grandparent, grandchild, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, or daughter-in-law of a director, or, b) is a member of the same household as a director (collectively, “Close Relative”).

15. while a director, not hold any elected public office for which the term began after January 1, 2020. As used herein, elected public office shall be limited to any federal, state, county, or municipal elected executive or legislative office for which the jurisdiction effected by the office is wholly or in part within the service territory of the Cooperative. Elected public office shall not include by way of example only any office on a special, water, irrigation, or other similar district; and
16. be able to actively participate in the management of the business and affairs of the Cooperative, including the reasonably competent use of information technology as necessary for communication incident to participation in board meetings and other board duties.

When a membership is held jointly by a married couple or jointly by two partners in a civil union under the Colorado Civil Union Act, either one, but not both, may be elected a director; provided, however, that neither one shall be eligible to become or remain a director or to hold a position of trust in the Association, unless both shall meet the qualifications hereinabove set forth.

Nothing in this Section shall, or shall be construed to, affect in any manner whatsoever the validity of any action taken at any meeting of the Board of Directors.

Section 3. Nominations.

At least seventy-five (75) days before an election for the Board of Directors the Secretary of the Association shall post at the principal office of the Association and shall publish once in a newspaper of general circulation in the area served by the Association, a list of each position on the Board of Directors which is expiring, the district from which each Director is to be elected and instructions for filing a nominating petition.

A nomination for Director may be made only by written petition signed by at least fifteen (15) members of the Association. The nominating petition must be filed at the principal office of the Association no later than sixty (60) days prior to the date of the Annual Meeting at which the election is to be held. Any petition so filed shall designate the name of the nominee and the district to be represented by the nominee. The Secretary shall post the same at the principal office of the Association. Nominations for election as Directors shall be made only in the manner above designated, and nominations from the floor at the Annual Meeting shall not be permitted. In the event that no nominating petitions have been properly made and timely filed, the vacancies occurring shall be filled in accordance with Article III, Section 4 hereof. In the event that no contest has been created by nominating petitions properly made and timely filed and the election of the sole nominees is assured because no other nominations can be made, then in order to save unnecessary expense, the election of Directors shall automatically be dispensed with and the sole nominees shall be deemed elected.

Section 4. Vacancies.

A vacancy in the Board of Directors shall be filled by a majority vote of the remaining Directors, and a Director thus elected shall serve for the unexpired term of the vacancy being filled or until his or her successor shall have been elected and shall have qualified.

Section 5. Compensation.

Directors as such shall not receive any salary for their services, but by resolution of the Board of Directors, a fixed sum and expenses of attendance, if any, may be allowed for each day or portion thereof spent on Cooperative business, such as attendance at Board of Directors meetings or at other meetings, seminars and conferences. Except in emergencies, no Directors shall receive compensation for serving the Association in any other capacity, nor shall any close relative of a Director receive compensation for serving the Association, unless such compensation shall be specifically authorized by a vote of the members.

Section 6. Rules and Regulations.

The Board of Directors shall have power to make and adopt Rules and Regulations, not inconsistent with law, the Certificate of Incorporation of the Association or these Bylaws, as it may deem advisable for the management, administration and regulation of the business and affairs of the Association.

Section 7. Accounting System and Reports.

The Board of Directors shall cause to be established and maintained a complete accounting system, which, among other things, subject to applicable laws and rules and regulations of any regulatory body, shall conform to such accounting system as may from time to time be designated by the Administrator of the Rural Electrification Administration of the United States of America. The Board of Directors shall cause to be made a full and complete audit of the accounts, books and financial condition of the Association as of the close of each fiscal year.

Section 8. Indemnification.

The Association shall, to the full extent permitted by law, indemnify each of its officers, directors, employees and agents, whether or not in office, (and his executor, administrator, and heirs), against all expenses actually and necessarily incurred by him, including, but not limited to, judgments, fines, costs and counsel fees, in connection with the defense or settlement or any litigation, including any civil, criminal, or administrative action, suit or proceeding, to which he may have been made a party because he is or was a director, officer, employee or agent of the Association if he acted in good faith and in a manner he reasonably believed to be in the best interest of the Cooperative and with respect to any criminal action or proceeding, had no reasonable cause to think his conduct was unlawful.

Section 9. Limitation of Liability.

No person shall be liable to the Association for any loss or damage suffered by it on account of any action taken or omitted to be taken by him as Director, officer, agent or employee of the Association in good faith, and in a manner he reasonably believed to be in the best interest of the Cooperative.

Special meetings of the Board of Directors may be held electronically if authorized by the Board of Directors. A Director may participate and vote electronically in any special meeting of the Board of Directors if authorized by the Board of Directors. Section 3. Notice.

Notice of time, place and purpose of any special meeting of the Board of Directors shall be given at least two (2) days previous thereto, by written notice delivered personally, or by mail, or

electronically to each Director at his last known address. Section 10. Treasurer.

The Treasurer shall

- (a) have charge and custody of and be responsible for all funds and securities of the Association;

ARTICLE VI

Contracts, Checks and Deposits

Section 1. Contracts.

Except as otherwise provided in these Bylaws, the Board of Directors may authorize any officer or officers, agent or agents to enter into any contract or execute and deliver any instrument in the name and on behalf of the Association, and such authority may be general or confined to specific instances.

Section 2. Checks, Drafts, Etc.

All checks, drafts, or other orders for the payment of money, and all notes, bonds or other evidence of indebtedness issued in the name of the Association shall be signed by such officer or officers, agent or agents, employee or employees of the Association and in such manner as shall be from time to time determined by resolution of the Board of Directors.

Section 3. Deposits.

All funds of the Association shall be deposited from time to time to the credit of the Association in such bank or banks, savings and loan associations, National Rural Utilities Cooperative Finance Corporation, United States Government obligations, or other insured depositories, or invested in rural development projects and organizations which will, in the opinion of the majority of the Board of Directors benefit the Association, as the Board of Directors may select.

ARTICLE VII
Membership Certificates

Section 1. Certificate of Membership.

Membership in the Association may be (but shall not be required to be) evidenced by a certificate of membership which may be in such form and may contain such provisions as shall be determined by the Board of Directors not contrary to, or inconsistent with, the Certificate of Incorporation of the Association or these Bylaws. Such certificates of the Association shall be signed by the Manager or Secretary of the Association. Facsimile signatures may be used on such certificates.

Section 2. Issuance of Membership Certificates.

After a person, firm, corporation, body politic or other legal entity has become a member of the Association pursuant to Article I, a certificate of membership shall be issued to such member but only when requested in writing from such member. Such certificate shall not be assignable or transferable except pursuant to the provisions of Section 6 of Article I of these Bylaws.

Section 3. Lost Certificate.

In case of a lost, destroyed or mutilated certificate, a new certificate may be issued therefor upon such terms and such indemnity to the Association as the Board of Directors may prescribe.

ARTICLE VIII
Non-Profit Operation

Section 1. Interest or Dividends on Capital Prohibited.

The Cooperative shall at all times be operated on a cooperative non-profit basis for the mutual benefit of its members. No interest or dividends shall be paid or payable by the Cooperative on any capital furnished by its patrons.

Section 2. Patronage Obligation for Electric and Other Patronage Services.

The patrons of the Cooperative, by dealing with the Cooperative, acknowledge that the terms and provisions of these Bylaws related to the rights and obligations of patrons shall constitute and be a contract between the Cooperative and each patron, and both the Cooperative and the patrons are bound by such contract, as fully as though each patron had individually signed a separate instrument containing such terms and provisions. The provisions of this Article VIII shall be called to the attention of each patron of the Cooperative by posting in a conspicuous place in the Cooperative's principal office.

As used herein, the term "patron" means a member or any other person or entity receiving services or goods from the Cooperative and to whom the Cooperative is obligated to allocate

Capital Credits, as set forth herein, which obligation existed before the Cooperative received payment for such services. As used in Section 5, Section 6, Section 7, and Section 8 of this Article VIII, the term “patron” includes former and current patrons. Notwithstanding anything to the contrary herein, no person or entity who is not a member of the Cooperative is a patron unless and until the Board of Directors passes a written resolution or policy authorizing the Cooperative to treat such person or entity as a patron, which may be accomplished, for example, by designating customers of certain categories of service or goods to specific service areas as patrons. Except with respect to the patronage rights of patrons expressly provided in this Article VIII, patrons who are not members are entitled to no rights granted to members under these Bylaws.

Section 3. Patronage Refunds in Connection with Furnishing Other Services.

- (a) In the furnishing of electric energy, the Cooperative’s operations shall be so conducted that all patrons will, through their patronage, furnish capital for the Cooperative. To induce patronage and to assure that the Cooperative will operate on a non-profit basis, the Cooperative is obligated to account on a patronage basis to all its patrons for amounts received and receivable as operating revenue from the furnishing of electric energy (“Patronage Operating Revenue”). All such amounts in excess of operating costs and expenses at the moment of receipt by the Cooperative (“Patronage Net Operating Margins”) are received with the understanding that they are furnished by the patrons as capital. The Cooperative is obligated to equitably allocate and pay by credits to a capital account for each patron (“Capital Credits”) all Patronage Net Operating Margins.
- (b) If, however, such costs and expenses exceed Patronage Operating Revenue creating an operating loss (“Patronage Net Operating Loss”), the Cooperative may, so far as permitted by law, including federal cooperative tax law, contractual agreements, and loan covenants, and in the Board’s discretion: (i) offset the loss against existing Capital Credits based on patronage during the loss year; (ii) offset the loss against net margins from non-patronage business as provided in Section 4 of this Article VIII; (iii) carry the loss forward to offset future allocations of Capital Credits; (iv) offset the loss against a reserve or similar amount or account; (v) assess the loss in accordance with contractual provisions between a patron and the Cooperative; or (vi) account for the loss in some combination of one or more methods described in this Subsection (b).
- (c) The books and records of the Cooperative shall be set up and kept in such a manner that at the end of each fiscal year the amount of capital, if any, so furnished by each patron is clearly reflected and credited in an appropriate record to the capital account of each patron, and the Cooperative may (but shall not be required to) notify each patron after the end of such fiscal year of the amount of capital so credited to this account. All such amounts credited to the capital account of any patron shall have the same status as though they had been paid to the patron in cash in pursuance of a legal obligation to do so and the patron had then furnished the Cooperative corresponding amounts of capital. Accounts reflecting Capital Credits may also be adjusted to account for any losses as set forth in Article VIII Section 3(b).

- (d) Consistent with these Bylaws and without diminishing the Cooperative's patronage obligation set forth in Article VIII, Section 2, the Board of Directors will determine the manner and method of allocating Capital Credits and may create allocation classes of similarly situated patrons or based on rate classes for such purpose. Additionally, to allocate Patronage Net Operating Margins and Losses among patrons, the Board of Directors may create classes of patrons or divisions of its operations or goods and services, and may apportion revenues and expenses among them as it deems appropriate. As determined by the Board, Capital Credits may be allocated on the basis of accounting used for financial reporting or tax purposes, or a combination thereof.
- (e) The Board of Directors may, by resolution, designate the operating revenue and associated operating costs and expenses, as Patronage Operating Revenue and Patronage Net Operating Margins, respectively, of other services provided by the Cooperative to be treated the same as such items are treated for electric energy services under this Article VIII ("Other Patronage Services"). In such case, the provisions of this Article VIII will apply to such other services, and patrons thereof, the same as they are applied to electric energy services and patrons thereof, including but not limited to the Cooperative's patronage obligation under Section 2 and Section 3(a) of this Article VIII.
- (f) If the Cooperative is a member, patron, or owner of an entity from which the Cooperative purchases a good or service and from which the Cooperative is allocated patronage capital or similar credits, then as determined by the Board of Directors and consistent with the Bylaws, the Cooperative may separately identify and allocate to the Cooperative's patrons any patronage capital allocated to the Cooperative by such entity. Such allocations shall be allocated to the patrons of the Cooperative only as and to the extent cash or property is received by the Cooperative for such patronage allocations.
- (g) Until the Board of Directors declares the retirement of Capital Credits as set forth in Article VIII, Section 5, the Cooperative may use or invest such capital in any manner determined by the Board of Directors in its sole discretion.

Section 4. Net Margins from Non-Patronage Business.

Revenue, income, and gains in excess of operating costs, expenses and losses, other than from the furnishing of electric service and Other Patronage Services, shall, insofar as permitted by law, be (a) used to offset any losses incurred during the current or any prior fiscal year, (b) to the extent not needed for that purpose, available to create unallocated reserves and retained capital not currently allocable to the patrons, or (c) to the extent not needed for the foregoing purposes, allocated to its patrons on a patronage basis and any amount so allocated shall be included as part of the capital credited to the accounts of patrons, as herein provided. Such allocation and allocation base shall be determined and made under the same requirements set forth in Article VIII, Section 3.

Section 5. Retirement of Capital Credits.

- (a) In the event of dissolution or liquidation of the Cooperative, after all outstanding indebtedness of the Cooperative shall have been paid, outstanding Capital Credits shall

be retired without priority on a pro rata basis before any payments are made on account of property rights of members.

- (b) If, at any time prior to dissolution or liquidation, the Board of Directors shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital then credited to patrons' accounts may be retired in full or in part. The Cooperative shall deduct and retain from payment of retired Capital Credits all monies owed by such patron to the Cooperative at that time, together with accrued interest on such owed amount. The Board of Directors shall determine the method, basis, priority, and order of making such retirements and shall have the authority to retire Capital Credits of classes of similarly situated patrons in a different manner, method, and timing than other classes. The Board shall have the power to adopt rules providing for the separate retirement of Capital Credits from affiliated organizations, including Capital Credits identified in Section 3(f) of this Article VIII.
- (c) The Board of Directors shall also have the power, exercisable in its sole discretion, to retire all or a portion of the Capital Credit of patrons prior to the time such capital would otherwise be retired under the provisions of these Bylaws or the policies of the Board of Directors. The payment portion of such early retirement shall be on a discounted basis, upon such terms and conditions as the Board of Directors shall adopt, but only if the financial condition of the Cooperative will not be impaired. The Cooperative shall also deduct and retain from the payment portion all monies owed by the patron to the Cooperative, together with accrued interest on such owed amount. The difference between the total amount of Capital Credits retired and the payment portion of such retirement ("the Discount") remains unpaid to such patron, and shall conclusively be deemed donated to, and retained by, the Cooperative and shall not thereafter be reassigned to any member, patron, person, or entity. Any policy of the Board to retire the Capital Credits of patrons and implement the foregoing provisions of these bylaws shall be applied in a non-discriminatory fashion within each separate class of patrons, but may be different for different classes of patrons.
- (d) Notwithstanding any other provision of these Bylaws, the Board of Directors, in its sole discretion, shall have the power to retire the Capital Credit of a deceased patron who was a natural person at any time after the death of such patron and prior to the time such capital would otherwise be retired under the provision of these bylaws or the policies of the Board of Directors, upon such terms and conditions as the Board of Directors shall adopt, but only if the financial condition of the Cooperative will not be impaired thereby. No Capital Credit of a deceased patron shall be retired early unless an heir or legal representative of the deceased patron has requested such retirement in writing to the Cooperative. If such written request is made to the Cooperative, the Cooperative shall retire the Capital Credit of a deceased patron to the estate or heirs of the deceased patron on a discounted basis. The Cooperative shall deduct and retain from the payment portion of such discounted retirement all monies owed by the deceased patron to the Cooperative, together with accrued interest on such owed amount. The Discount remains unpaid and shall be deemed donated to, and retained by, the Cooperative and shall not thereafter be reassigned to any patron, member, person, or entity. Any policy of the Board to retire the Capital Credits of deceased patrons and implement the foregoing provisions of these

Bylaws shall be uniform and applied in a non-discriminatory fashion to the capital accounts of deceased patrons.

- (e) In all instances of retiring Capital Credits, the Cooperative may offset or recoup against the payment portion of such retired Capital Credits any amount owed to the Cooperative by a patron, including any interest and late-payment fee. The Board of Directors is further authorized, but not required, to discount any Capital Credits, in the manner provided in Section 5(c) of this Article VIII, before applying such offset or recoupment.

Section 6. Assignment of Capital Credits.

Capital Credited to the account of each patron shall be assignable only on the books of the Cooperative pursuant to written instruction from the assignor and only to successors in interest or successors in occupancy in all or part of premises served by the Cooperative under such patron's account unless the Board of Directors, acting under policies of general application, determines otherwise. Any assignment of Capital Credits is subject to setoff of amounts owed to the Cooperative as provided in Section 5(e) of this Article VIII.

Section 7. Unclaimed Capital Credits.

Certain retired Capital Credits may go unclaimed by members ("Unclaimed Capital Credits"). Bookkeeping and accounting maintenance of Unclaimed Capital Credits is burdensome and costly to the Cooperative.

Therefore, the Cooperative hereby imposes an annual administration fee on the Unclaimed Capital Credits of patrons who fail to claim or negotiate payment of retired Capital Credits for more than one year after the refund was mailed, in the amount of five and no/100 dollars (\$5.00) per year. Said annual administration fee shall be a setoff against the Unclaimed Capital Credits and shall be credited annually to the Cooperative in reduction of the Unclaimed Capital Credits.

Additionally, as provided herein, the failure by a patron to claim such Unclaimed Capital Credits constitutes evidence of intent to abandon such credits. Any Unclaimed Capital Credits that remain unclaimed by a patron for three years after being published in a newspaper of general circulation within the service area of the Cooperative or tendered in the form of a negotiable instrument, sent by first class mail addressed to such patron at his/her/its last known address shall be conclusively deemed abandoned and assigned to the Cooperative. In such event, the Board of Directors may use such Unclaimed Capital Credits in its discretion.

Section 8. Security Interests and Credit Support.

If the Board of Directors determines that the cost of initiating or continuing service for a patron justifies additional security to protect the financial interests of the Cooperative, then as a condition to initiate or continue service, the Cooperative may require such patron to execute a security agreement that grants the Cooperative a security interest in such patron's Capital Credits. The rights granted the Cooperative in this Section are in addition to any rights granted under Article XVII. In such event, such patron agrees that the Cooperative may file a financing statement under applicable law.

In addition, the Board of Directors may declare retirement of a patron's Capital Credits, in whole or in part, but defer payment thereof until a later time determined by the Board. In such case, until payment thereof, the Cooperative will be indebted to such patron therefor, which indebtedness may be set off against such patron's debt to the Cooperative. No interest will accrue on such indebtedness to such patron unless expressly declared by the Board.

ARTICLE IX **Waiver of Notice**

Any member or Director may waive, in writing, any notice of meetings required to be given by these Bylaws.

ARTICLE X **Disposition of Property**

The Association may not sell, lease or otherwise dispose of any of its property other than:

- (a) property which in the judgment of the Board of Directors neither is nor will be necessary or useful in operating and maintaining the Association's system and facilities; provided, however, that all sales of such property shall not, in any one (1) year, exceed in value ten per centum (10 percent) of the value of all the property of the Association;
- (b) services of all kinds including electric energy; and,
- (c) personal property acquired for resale; unless such sale, lease or other disposition is authorized at a meeting of the members by the affirmative vote of at least two-thirds (2/3) of the members voting thereon at such meeting in person or by mail, or by the affirmative vote of a majority of the members voting thereon in person or by mail in the event that a majority of the total membership shall vote, and the notice of such proposed sale, lease or other disposition shall have been contained in the notice of the meeting. Each member of the Association shall be entitled to vote concerning this matter either in person or by mail in the manner provided by Article II Section 8 of these bylaws.

The terms "sell, lease or otherwise dispose of" as used in this Article shall not include the execution and delivery of mortgages or deeds of trust upon, or the pledging of or encumbering of any and all of the property, assets, licenses, franchises, permits or other things of value of the Association whether acquired or to be acquired and wherever situated, including any revenues and income therefrom. The Board of Directors shall have full power and authority to borrow money and mortgage and otherwise encumber all said property of the Association without authorization of the members.

ARTICLE XI
Fiscal Year

The fiscal year of the Association shall be determined from time to time by resolution of the Board of Directors.

ARTICLE XII

ARTICLE XIV
Amendments

Section 1.

These Bylaws may be amended by the affirmative vote of a two-thirds majority of the Directors participating at any regular or special meeting of the Board of Directors, provided that at least thirty (30) days prior to taking action thereon the Association either (i) delivers written notice to each Member of the proposed amendment or (ii) publishes notice of the proposed amendment in a newspaper of general circulation printed in the county where the principal office of the Association is located. The Association may satisfy the notice requirement of this Section 1 by publishing notice of any proposed amendment in a magazine published by the Colorado Rural Electric Association of general circulation to the Members. Notice as required by this Section 1 shall provide notice:

- (a) Of the time and place of the meeting at which the Board will vote on the proposed amendments.
- (b) That the language of the proposed amendments is available on the Association's website for review or will be provided to Members upon request.

The failure of any member to receive notice as provided in this Section 1 shall not invalidate any action which may be taken by the Board with respect to the proposed amendments that were the subject of such notice.

Section 2.

In addition to the power and authority of the Board of Directors to adopt amendments to these Bylaws under Section 1 above, the Board of Directors may also sponsor or propose alterations and amendments to these Bylaws to be submitted to a vote of the members present at a regular or special meeting of members and the members voting by mail ballot, where such voting is required or otherwise authorized by the Board of Directors under these Bylaws, provided that the notice of such member meeting shall have contained a copy of the proposed Bylaw amendment. Such amendments may be approved by the affirmative vote of a majority of members present and voting at any regular or special meeting of members and the members voting by mail ballot.

ARTICLE XV **Miscellaneous**

Policies, rules and regulations. The Board of Directors shall have power to make and adopt such policies, rules and regulations, not inconsistent with the law, the Articles of Incorporation or these Bylaws, as it may deem advisable for the management of the business and affairs of the Cooperative.
